Depth = 49 cm (19.3")

Description

A stunning antique Edwardian period chest of drawers in burr walnut. This was made in England, it dates from around 1900-1910. It is of superb quality, and is a very useful size, offering lots of storage space while taking up very little floor space. It has a bow front design, sitting on beautifully shaped bracket feet. The original brass handles are also of lovely quality, the burr walnut grain patterns are amazing throughout, and the top is nicely cross banded. We have recently had this re-polished, the condition is excellent for its age. Width – 24 inches , 61 cm Depth – 19 inches , 49 cm Height – 39 inches , 99 cm

Internal Ref: 3850
