Description

Antique Waltham full hunter pocket watch, 1917. The watch has a stem-winding movement, Equity grade, which is working well. The fully signed movement has the serial number 21793849 which dates it back to 1917. The movement is protected by an inner hinged cover. The watch measures 50.6mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case has light surface marking from use and a small "ding" to the front cover but overall it is in nice condition for a 1917 piece. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in nice condition. The signed white enamel dial is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box.
