Description

Waltham Traveler full hunter pocket watch, 1907. The watch has a 7-jewel stem-winding movement, Traveler grade, which is working nicely. The movement is fully signed and the serial number 15765741 which dates it back to 1907. The movement is protected by an inner hinged cover which has some surface marking but nothing too serious. The watch measures 50.6mm diameter excluding the winding stem and the loop. The case is gold plated and was made by the English case manufacturer Dennisons, the company supplied the majority of cases for Waltham UK. The case has light surface marking from use and some wear to the edges. The winding crown pushes in to release the front cover. The glass lens is in nice condition. The dial is in nice condition and has blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes in a new presentation box.
