Description

Good late 17th century Jacobean oak side table of fairly large size. Nicely turned legs united by stretchers near the base. Single drawer with all the original thick linings and contemporary but probably not original engraved brass handles. Top with a big over hang which is a pleasing feature with moulded edge. The table is a gorgeous colour with original patination and a waxed finish. It shines like glass. A better than average example. SIZE; 37" wide by 24" deep by 29" high CIRCA; 1680 - 1700
