Description

A beautiful set of ten mahogany shield back dining chairs in the antique Hepplewhite style. These were made in England, they date from around the 1930's period. They are of amazing quality, with stunning and intricate carving on the pierced shield backs. They have fully upholstered seats and sit on beautifully tapered legs with spade end feet. We have had these re-polished to a very high standard, they are in excellent condition for their age. They have a gorgeous patina and only some extremely minor wear under the polish here and there. We have had the seats newly re-upholstered in our cream cotton fabric.
