Description

Fine quality set of 4 Victorian engraved glass dessert dishes with original plates to sit on. These came from a very good country house here in Scotland and are of outstanding quality. The engraving is as good as you will see on any piece of Victorian glass. Still as useful today and when they were made, just a shame there aren't more of them. SIZE; Bowls are 5" diameter by 2 3/4" high. Plates are 7 1/2" diameter CIRCA; 1850 - 1870
