Description

Always a pleasure to see a carriage clock that retains it's original case as most get separated over the years. The clock is as clean as a new pin and both the dial and all the glass panels are free of any chips, cracks or crazing. Another unusual feature. The white enamelled dial has black Roman numerals and nicely cut hands. It is signed E. JOHNSON & SON LTD. DERBY. The clock has just been serviced by our BHI registered staff and carries our usual 12mths parts & labour guarantee. All cards accepted.
