Description

A charming antique two tiered Japanese dragon carved tripod table dating from circa 1900. The circular top beautifully carved with a fierce dragon, along with cloud motifs carved to both the top and bottom tiers and standing on three carved serpentine legs. In good condition with good colour and patina, this pretty table would make a wonderful lamp table or coffee table. Tables such as these were often hand carved in Japan in the early 1900's, made in numbered sections and the reassembled in England for the British market. Construction/Wood: Carved and stained wood Condition Report: Good condition. Solid and sturdy Wear and marks commensurate with age. Dimensions: Height: 71cm Width: 45cm Depth: 45cm
