Description

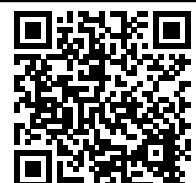

A stunning antique burr walnut drop end sofa table. This is in the Regency style, it dates from around 1900-1910. The quality is excellent and this is a very useful size. This model is called a sofa table as it is intended to sit behind a sofa, though it would work well in a variety of settings. There are two drawers on the front and dummy drawers on the back, so it appears identical on both sides. The drop down flaps are held up by supports that unfold, this has lovely brass handles and sits on brass casters. We have recently had this re-polished, the condition is excellent for its age. Width – 39 inches , 100 cm Width open – 62 inches , 158 cm Depth – 24 inches , 62 cm Height – 28 inches, 72 cm
