Antique George V Sterling silver and enamel glass jars

Price

Sold**Item Reference: SA866405****Date of manufacture: 1930**

Description

A pair of Antique George V Sterling silver, enamel and glass jars which are circular in shape with simple lined decoration to the glass bodies and resting on flat bases. The removable silver lids have plain silver borders and attractive bronze coloured enamel tops. One has been designed to simply pull off and the other has a screw style fitting for added security. These silver and enamel glass jars would make useful additions to a collection and would make ideal gifts. The lids weigh 4.1 troy ounces (127 grams). Height : 5 cms (2"). Diameter : 7.3 cms (2.9"). They were hallmarked in Birmingham for 1932/33 by Albert Carter and remain in excellent condition. Complimentary postage is included within the price.
