Description

A simply magnificent Satsuma vase by the Kinkozan studio . The decoration is formed as a complete circular landscape around the vase , the top and bottom finely gilded borders unusually intercepted by a central gilded border . The landscape with fishermen , cherry blossom woodlands , couples conversing , thatched houses, flying cranes and flora . The quality of the decoration could be ascribed to Sozan , but it is simply signed with a gilt Kinkozan character signature . Altogether an outstanding Satsuma vase in absolutely perfect condition .
