Description

A particularly wonderful set of four 19th century antique elm stools. The antique elm stools each have circular seats that are raised on four turned legs with X stretcher supports. The stools have attractive grain pattern and good colour and patina throughout. A rather charming set of four antique elm stools. Item Ref; M-3120 . DIMENSIONS: Height - 47.5cm / Width - 33cm / Depth - 33cm / Seat Diameter - 32cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and staining to the seats (pictured), but overall, the antique elm stools remain in good antique condition. The stools are structurally solid and sound with good tight joints. Good colour and patina and finished with a fresh coat of natural wax. Overall, a particularly good set of stools. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
