Description

Antique Edwardian Oak Lamp/Wine Table. Please note, items placed on or around this item are not included in sale, sale is for the table only. We bring to you this lovely Edwardian solid Oak lamp table believed to be made around the 1900's. This table is in a lovely original condition which we have just enhanced by cleaning and waxing this table preserving the French polished finish with its lovely lightly faded colour with lots of patina and charm. This table features an octagonal top with a pie crust edge and a finely turned centre support which stands on shaped feet. This very usable table is in a superb condition for its age, the joints are all as tight as they should be with no wobbles and the top has no open joints. Please note this item is in beautiful condition for its age as shown in the photographs below however being an antique item it does have the odd bump here and there. However, we feel that these points are which adds charm and character to a piece.
