Description

A lovely example of an antique mahogany candlestick that has been converted to a table lamp. It is an elegant and stylish piece with a tapering fluted column and round fluted base. It has been PAT tested and rewired to modern standards to take a standard bayonet bulb (bulb not included). The lamp is in good condition and has a wonderful rich patina. There are some signs of age and use but nothing detrimental and it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £15
