Description

A vintage 1930s Vertex pocket watch & chain. The watch has a stem-winding movement, which is working well. The movement is stamped Vertex, 15 jewels, Swiss made. The watch itself measures 51mm diameter excluding the winding stem and the loop. The nickel case is the silverode model made by the Philadelphia watch case company and has light surface marks from use but otherwise it is in nice condition. The glass lens is in nice condition. The white enamel dial is in nice condition. The watch has its original gold coloured hands. The watch comes on a vintage nickel graduated albert chain. The chain measures 30 cm including the T bar and clasp. The watch & chain will be sent in a new presentation box.
