Description

A fantastic original antique Victorian period desk chair with a solid mahogany frame. This was made in England, it dates from around the 1880-1900's. The quality is amazing, this is a great size and is very comfortable. It swivels smoothly, rolls on casters, tilts and has an adjustable height. We have had the solid mahogany frame re-polished, it is in lovely condition with a gorgeous colour and patina. The previous owner had it re-upholstered in black vinyl, which has some minor surface wear but is overall in excellent condition as well, with no real damage to be seen. Width - 24 inches , 61 cm Depth - 25 inches , 64 cm Height - 32 inches , 81 cm Seat height - 19 inches , 49 cm
