Description

An Antique Victorian Sterling silver photograph frame which was hallmarked in Chester and is rectangular in shape with attractive wire work decoration at the top and bottom of the plain silver body. The photograph frame stands in an upright position and the velvet back together with the supporting easel stand have been nicely re-lined to make the overall appearance look more presentable. The silver body of the frame can be removed from the velvet back which is always the sign of superior craftsmanship. This silver frame would make an acceptable gift, a useful addition to a collection and would look attractive when displayed on the table. It weighs 3.2 troy ounces (100 grams) without the backing. Overall height : 20 cms (7.9"). Overall width : 17.2 cmns (6.8"). Inner height : 13.6 cms (5.4"). Inner width : 9.1 cms (3.6"). It was hallmarked in Chester for 1896 by J.N.M. and remains in excellent condition. Complimentary postage is included within the price.
