Description

A stunning original Art Deco period low occasional / coffee table, exquisitely made from burr elm. This was made in England, it dates from the 1930's. The quality is outstanding and this is a lovely size. The square top is finished on all sides and looks great from all angles. Even the edges and the base have stunning burr elm grain patterns. It sits on a column base with four ebonised feet. We have had this stripped and re-polished to a very high standard, the condition is superb throughout.
