Description

An absolutely beautiful antique still life oil painting depicting fruits on a table. I would say this is at least 19th century Victorian, possibly earlier. It is wonderfully executed, with stunning colour and details. It is in very good condition for its age, with only some very minor age related wear. The gilt wood frame is also of excellent quality and is mostly in very good condition. there were a couple of areas of damage on the upper corners which have been touched in, seen in the images. Width – 23 inches , 59 cm Depth – 2.5 inches , 6 cm Height – 20 inches , 50 cm
