Description

A well presented mid 19th century antique mahogany chest of drawers. The straight front antique mahogany chest has an arrangement of two short over three long graduating drawers, each with polished wooden knobs. There is a small fitted drawer to the top centre which opens with a key, with a dummy drawer to either side. The mahogany chest of drawers is raised on shaped bracket feet. A particularly attractive mahogany chest dating to the mid 19th century. A rather lovely, rich colour throughout. Item Ref; M-3280 . DIMENSIONS: Height – 111.5cm / Width – 116cm / Depth – 53.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top surface (pictured). The antique mahogany chest remains structurally solid and sound with the drawers running well. The small central drawer is opened by using a key. Some very minor losses to the veneer in places.
