Description

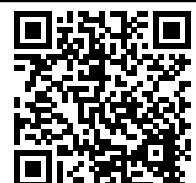

An attractive antique 19th century mahogany chest of drawers. The 19th century mahogany chest has an arrangement of six various size drawers, each with polished wooden knobs. The chest is raised on out-swept bracket feet with a decorative shaped apron to the front. Item Ref; M-3490 . DIMENSIONS: Height – 115.5cm / Width – 118.5cm / Depth – 56cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, and staining to the top and some of the drawer fronts (pictured). There is a crack to the top centre (pictured), this does detract slightly from the chest but does not affect the integrity or functionality of the piece. There are some losses to the beading around the drawer edges and some losses or chips to the veneer. The chest of drawers remains structurally solid and sound with the drawers running well. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
