Description

A very unique opportunity. From the original Queen Elizabeth cruise ship owned and operated by the Cunard White Star Line, this piece was crafted for the 1st Salon and Ballroom circa 1938/39. A rich and interesting history it has never undergone any previous restoration. Cost includes restorative work which can be discussed directly. Available to view by appointment in our workshops - based in the North East of England where we carry some 250 pieces of 19th, early 20th and Vintage Chesterfield furniture and also craft our own Signature Collection. Our Begravia Studio is available to view by appointment and is a lovely window to our work.
