Width = 56 cm (22.0")

Depth = 56 cm (22.0")

Description

This is a very stylish and well made early 20th century ebonised Syrian table. The stunning pierced details make this really stand out as well as the gorgeous contrast of the brass inlay against the black. Good overall size and condition with only minor faults. The patina as well to the ebonised finish isn't done justice in the images. Ideal side or lamp table. Height 56cm Diameter 56cm Price includes UK mainland delivery
