## Silver caddy spoon - Sheffield

Price

**Sold****Item Reference: SA868966****Date of manufacture: 19th Century**

## Description

A silver caddy spoon most likely by Aaron Hadfield of Sheffield. He produced die stamped caddy spoons and was one of the few caddy spoon makers in Sheffield at this time. There are marks to the back of the bowl but not clearly seen but from research this is a style he produced and is probably circa 1850. A very pleasing design. Excellent condition. Length 8 cm W 4 cm Weight 11.8 g
