Description

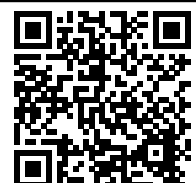

Very elegant antique Sheraton style mahogany settee dating from the 1890-1900 period & in good original condition. There are a few age related markings on the frame, but they have been polished out & everything is in character, plus it's structurally sound. There are some fine satinwood & other exotic woods set into the two top marquetry panels, plus satinwood stringing all over the frame & down the tapered spade end legs. All the joining bars & the cross stretchers between the legs help keep the structure sturdy. This settee has just been re-upholstered in our regular natural cotton linen fabric, which is double piped onto the frame. Width – 43 inches, 110 cm Depth – 24 inches, 61 cm Height – 35 inches, 89 cm Seat height – 17 inches, 43 cm
