Description

A large and impressive antique Victorian open bookcase in mahogany. This was made in England & dates from around the 1860-1880 period. It is of amazing quality and is a great size; very wide and not too deep, so it offers lots of storage space without being too imposing. There are four adjustable shelves, it sits on a plinth base and has reeded corners. We have recently had this re-polished, the condition is excellent for its age with some minor indentations and marks remaining here and there beneath the polish. Width – 96 inches , 244 cm Depth – 12 inches , 30 cm Height – 40 inches , 102 cm
