Description

A substantial 19th century decorative antique oak pew. The antique oak pew has decorative shaped sides, a solid oak plank seat, and a panelled back rest. There is a hymn book holder to the back. A rather large and heavy example. Item Ref; M-3485 . DIMENSIONS: Height – 92cm / Width – 204cm / Depth – 57.5cm / Seat Height - 46.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, and staining to the seat, back, and sides (pictured). The antique oak pew remains structurally solid and sound. There is a small patch repair to the seat and some shrinkage gaps to the sides. There is some evidence of old historic woodworm in places - this is long gone and has been fully treated as a precaution. Overall, a good, solid example of an antique oak pew.
