Description

Exceptional quality Inlaid Edwardian display cabinet, circa 1900. One of the finest cabinets of this type that we have had for some time. The kidney shaped glazed top inlaid with floral marquetry over a concave door opening to a plate glass shelf and lined interior. The supports joined by most attractive bowed stretchers. Note This cabinet is inlaid to the reverse and sides allowing it to be placed and look attractive in the centre of the room if so desired
