Description

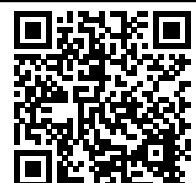

A fine Oriental pedestal in absolutely immaculate condition. At well over 100 years old this pedestal must have remained in one of the finest of homes, where it has been cared for and polished throughout those years, giving it an exceptionally fine patina. The marble top is in excellent condition, with no chips or cracks, over a frieze which is intricately carved, as are the cabriole legs which are joined by a carved stretcher. A beautiful piece which would suit a variety of rooms.
