Depth = 10 cm (3.9")

Description

Incredible condition, professionally serviced with 12 month warranty. The movement is the calibre 561 Chronometer grade fully automatic. Model reference number 168.005 The dial is in mint condition having been fully restored and it has dog leg lugs for that special interest. It comes with an optional exhibition glass to the back of the case which makes it extremely interesting so you can see the actual movement but of course it has its original back with the constellation logo which is bright and crisp, the choice is yours. It has a new after market beads of rice bracelet or we can fit a leather strap of your choice. The diameter of the case is 34mm excluding the winding crown. The watch has just been fully serviced and is guaranteed to be a genuine Omega in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers original parts. every part is then thoroughly cleaned in a 3 stage ultrasonic cleaning process. The movement is then fully a...
