Depth = 1 cm (0.4")

Description

An superb marine watercolour by James Aitken (1853 - 1935) This beautiful painting perfectly captures the light and sea with a fishing vessel being chased by a colony of seagulls. A very good example, good colour; well executed. This painting has been professionally and sensitively cleaned, retaining the unusual tones and colours used by James in this composition. It has also been re-framed and mounted to the highest of standards.
