Description

A rare opportunity to acquire such high styled and totally original Art Deco bedside tables. Originating from mainland Europe and dating to the early 1930's they fill both the highly desired shape of Art Deco at its best and sort after the luscious veneers which create the exotic. Lots of internal storage space with the interior shelving. Modernist bakelite and chrome handles adorn the doors and are totally original and contrast beautifully with the figured Walnut. Both cabinets have been through our workshops and are fully restored. Offered with free UK mainland delivery.
