Description

A well proportioned antique pine cupboard or sideboard. The antique cupboard has two single panel doors that open to reveal a shelved interior. The cupboard doors can be kept shut by twisting the wooden knobs. Raised on a plinth base. Overall, a good sized, antique pine cupboard. Item Ref; M-3486 . DIMENSIONS: Height – 83.5cm / Width – 102cm / Depth – 48.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the front and top (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. There is a split to the front right hand side cupboard door. The antique pine cupboard remains structurally solid and sound with a replacement plywood back. A neat example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item
