Description

An extremely rare and incredibly beautiful three piece Art Deco period cloud back lounge suite in walnut, by Harry & Lou Epstein. This was made in England, it dates from the 1930's. This consists of an amazing pair of armchairs and matching sofa, with walnut wrap around outer shells. They have a gorgeous and very unique design, they are very generous in proportion and extremely comfortable. We have had them fully restored, the condition is superb for their age. The frames have been stripped and re-polished, they have a wonderful rich colour and stunning grain patterns. We have also had them fully re-upholstered in a high quality leatherette fabric that looks and feels exactly like leather. The cushions are all plump and feather filled.
