Price

GBP 565

| USD \$765 | EUR 661

Item Reference: SA870932

Date of manufacture: 18th Century

Dimensions

Height = 27 cm (10.6")

Description

A late 18th Century turned and ebonised wood pedestal cruet stand, the tray revolving and the turned wood central upright with shaped silver coloured metal swing handle, fitted with five contemporary cut glass bottles with silver coloured metal tops. Circa 1785 Price: £565-00p. Note: It was normal during the Georgian period for the silver topped bottles and handle to have been imported from France for these cruet stands, which is why the metal parts do not have UK hallmarks. Height: 10,5", 27 cms, Diameter: 6.5" 16.5 cms.

Internal Ref: 10992
