Description

A gorgeous antique inlaid mahogany cabinet on legs. This was made in England, it dates from around the 1900-1910 period. It is of fabulous quality and has a beautiful serpentine shape design. There is a single drawer at the top with fine hand cut dovetailed joints, and a lower two door cabinet. This sits on tapered legs terminating in spade feet, there is lovely satinwood wood inlay around the door and drawer fronts. We have had this re-polished, it is in lovely condition for its age, with some minor marks remaining here and there beneath the polish, commensurate for age.
