Description

A superb original Art Deco period two seat sofa with mahogany details. This was made in England, it dates from the 1930's. The quality is amazing, this is extremely comfortable and has a very striking design. The arms are solid mahogany and have inset circular holes that are also lined in mahogany. This took some great skill to make and it has a very unique look. The condition is superb, we have had the wood completely stripped and re-polished, this has also been fully re-upholstered in our cream cotton fabric with plump, feather filled cushions. We also have the matching pair of armchairs available separately, seen listed under our other items for sale.
