Depth = 53 cm (20.9")

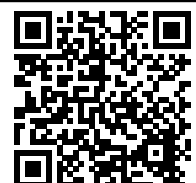

## Description

A rare mid 18th century Welsh yew wood tridarn. The three tier cupboard consists of two small cupboard doors over a large pair of doors with two drawers in the middle and a small dummy drawer in the centre. The cupboard has had a few minor restorations and shows some sign of old wood worm in areas commensurate with age. This is a fabulous piece of Welsh furniture and has an amazingly rich patina, and it's in excellent condition.
