Description

Good late Georgian / William IV large size cut glass decanter with original faceted stopper along with a silver plated coaster and sherry label. The decanter is a great shape and is beautifully cut and engraved all over. The decanter has a star cut base. The silver plated coaster is probably slightly later but is a great design and fits the decanter perfectly. The silver plated sherry label is definitely later but came with the decanter, can be removed if required. The decanter is in very good condition. SIZE; 5 1/2" diameter. 11 1/2" tall CIRCA; 1830 - 1840
