Description

A superb pair of original Art Deco period armchairs with mahogany details. These were made in England, they date from the 1930's. The quality is amazing, they are extremely comfortable and have a very striking design. The arms are solid mahogany and have inset circular holes that are also lined in mahogany. These took some great skill to make and they have a very unique look. The condition is superb, we have had the wood completely stripped and re-polished, they have also been fully re-upholstered in our cream cotton fabric with plump, feather filled cushions. We also have the matching two seat sofa available separately, seen listed under our other items for sale.
