Description

An attractive 19th century elm windsor armchair. The antique windsor armchair has a stick and hoop back, with a decorative fret cut central splat. The windsor armchair has a solid elm seat with shaped arms, raised on turned upright supports. The windsor armchair is raised on four turned legs with a double 'H' stretcher support. Finished with a fresh coat of natural wax. Item Ref: M-3595 . DIMENSIONS: Height - 111cm / Width - 64.5cm / Depth - 68.5cm / Seat Height - 44cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the seat (pictured). There is further wear to the supports, including fading to arms and back. The 19th century Windsor armchair remains structurally solid and sound, with good tight joints. Overall, a good example of an antique armchair. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
