Edwardian Settee for Restoration

Price

Sold

Item Reference: SA872247

Date of manufacture: Edwardian

Dimensions

Height = 86 cm (33.9")

Width = 180 cm (70.9")

Depth = 96 cm (37.8")

Description

A settee of shape & style needing replacement covering. Original wooden cup, brass & pottery caster wheels. Scallop shape to back & serpentine shape to front. Main webbing & springs to upholstery all looks in good order with cloth covering poor where pet damaged. We are informed that this settee was professionally re upholstered about 25 years ago but clearly now needs a new fabric covering as can be seen in the photographs.
