Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Rolex. This is the very desirable Precision model. It has a heavy solid 9ct yellow gold case and is fitted to a beautiful fluid diamond cut solid 9ct gold bracelet which just glides around the wrist and the textured finish really makes it sparkle. It is quite stunning and the dial is in wonderful original condition. A new glass has been fitted and the case and bracelet professionally cleaned and polished so it is absolutely pristine. As you would expect from Rolex the watch is fully marked Precision on the dial and movement, the bracelet and case are fully hallmarked and the bracelet marked Rolex with the logo on the clasp. Rolex are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 16mm wide excluding the winding crown. It fits a maximum wrist size of 6.5 inches or 165mm but this can easily be reduced by any competent jeweller. It also comes with its original box for safe keeping. Overall this watch is in beautiful condition and looks as if it was hard...
