Description

Professionally serviced with a 12 month warranty. Outstanding International Watch Company gents wristwatch. This is an exemplary example of a gents classic wristwatch made by the world renowned premier maker International Watch Company or IWC. It has the legendary calibre 8531 fully automatic movement which is regarded as the finest automatic ever made and known as the watchmakers watch, as you can see is in superb condition. The dial is in mint condition having been fully restored and is rare in as much as it has the inboard date window. The water resistant versions of this 8531 are exceedingly rare. It has an armoured glass and the IWC fish symbol on the crown. It also comes with its retailers box. As you would expect the watch is fully marked on the dial, movement and case. The watch case measures 34mm in diameter not including the crown. It will be supplied with both a mesh and leather strap. The watch has just been fully serviced. It has been fully authenticated and found to be a genuine IWC in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch is stripped down to its component ...
