Description

1312 translates from the Islamic calendar to 1894 in Christian dates, so this pretty Sumac rug has been around for over 125 years. Showing some wear but no holes for the 'Shabby chic' look. Put it on the floor and it will look like it has been there forever. An allover design of differing medallions on a midnight blue field, with light blue, green and reds warming it up. The outer border of blue and white reciprocal waves has been trimmed and secured.
