Description

Circa 1910-1940 a heavy brass bell with the original clapper and a large ring on top and smaller one below. It has an arrow pointing inwards as many military items from that period were. The bell measures 13cm in height and 13cm in diameter at the opening end. It weighs 0.8kgs and the thick, big loop at the top is approximately 4.5cm in diameter. It has been polished but not lacquered, has a loud and pleasant ring, and is in very good condition. Postage and packing is included in the price for the UK mainland only and for remote areas or abroad please contact us for a delivery quote.
