Description

This is an extremely comfy 19th century country house armchair. Great scale and high quality frame with mahogany turned legs. The high back and deep seat make it ideal for everyday use. I see this as a reading chair or for sinking into with a glass of something tasty. The seat cushion is original but we will replace this during upholstery. Height 88cm Width 80cm Depth 88cm Depth of seat 56cm Height of seat 44cm (On my website) If you would like this armchair upholstered please click yes in the upholstery drop down menu. This would require 6 metres of material. You can supply your own or please browse our collections under the material section. All my antique armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
