Description

This is an extremely well made 19th century French mahogany drapers table. Great condition with plenty of originality. The sides have exceptional fan carving which will make this stand out in any room. With its proportions it would make a superb desk, console table, or prep table in a kitchen. It has two drawers, one single and one double. The lower plinth shows signs of old worm but all treated and long gone. This overall is a very high quality table.
