Description

A really magnificent unusually small antique Regency work table or side table in beautifully figured mahogany dating from circa 1820. It is of delightful proportions with a beautifully figured top and two drop leaves. This fine Regency Table has a single drawer to one side, and a dummy drawer on the opposite so it can be placed in the centre of a room if desired. The oak lined drawer has line inlay to the front and boasts a fancy brass knob, a brass lock and a diamond shaped escutcheon. It stands on finely turned legs capped with brass castors. In good condition, this piece would grace any room; it could be used as a laptop table or would work equally well as a lamp table. Chair not included. Construction/Wood: Mahogany Condition Report: Solid and sturdy. Wear and marks commensurate with age. In good condition, with beautiful colour and figuring. A small piece missing along hinged section of flap on one side. Dimensions: Width Closed: 31cm Width Open: 68cm Depth: 50cm Height: 71cm Drawer Internal: 18cm Wide x 42cm Deep x 6cm High
