Description

A well presented antique Georgian mahogany lowboy table or side table. The antique mahogany lowboy table has an arrangement of one long drawer over two short drawers, each with decorative brass drop handles. The Georgian mahogany lowboy has a moulded rectangular top, raised on square legs. Would work well as a lovely side table. Item Ref; M-3592 . DIMENSIONS: Height - 73cm / Width - 74cm / Depth - 44.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related stains and scratches to the top (pictured), further marks to the legs (pictured). The Georgian mahogany lowboy table remains structurally solid and sound, with the drawers running well. Overall, a rather good example of an antique lowboy table.
